Message from the Editor-in-Chief

Mathematics permeates all kinds of academic worlds and is a fountain flowing with innovative development. The journal *AppliedMath*, publishing high-quality refereed papers discussing various aspects of applied mathematics, is dedicated to promoting the integration of mathematics with applied disciplines to cultivate a profitable frontier of mathematics. The journal highlights articles devoted to the mathematical treatment of questions and phenomena arising in physics, chemistry, biology, medicine, pharmacy, engineering, information science, social sciences, and humanities. One of the missions of this journal is to serve scientists by quickly announcing the seeds of significant mathematical breakthroughs in science and technology.

Editor-in-Chief
Prof. Dr. Takayuki Hibi

Aims

AppliedMath is an international, open access journal that seeks to promote the integration of mathematics with applied disciplines. It is devoted exclusively to the publication of high-quality reviews and regular research papers that apply mathematical concepts, theories and methods to other subjects.

Scope

- Mathematics and physics
- Mathematics and chemistry
- Mathematics and biology
- Mathematics and engineering
- Mathematics and information science
- Mathematics and economics
- Mathematics and social sciences
- Integrable systems
- Asymptotics
- Numerical analysis
- Scientific computing
- And other applications of mathematics

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Coverage by Leading Indexing Services
