Message from the Editor-in-Chief

Econometrics has had an impressively successful start, with articles published by leading econometricians that are accessible with a minimum of delay. *Econometrics* has already established a reputation for the quality of its published papers and the fairness and consistency of the editorial process. *Econometrics* takes as its standard to publish research of international significance that will have a lasting impact on the direction of econometric theory and practice. It is competitive with leading journals in the field, with the advantage of timely, open-access publication.

Editor-in-Chief
Prof. Dr. Guglielmo Maria Caporale

Aims

Econometrics (ISSN 2225-1146) is an international, peer-reviewed, open access journal on econometric modeling and forecasting, as well as new advances in econometrics theory.

Scope

- Econometric models
- Financial econometrics
- Simultaneous equation models
- Estimation frameworks
- Biased estimation
- Computational problems
- Microeconometrics
- Treatment modeling
- Discrete choice modeling
- Models for count data
- Duration models
- Limited dependent variables
- Panel data
- Time series analysis
- Econometric theory
- Dynamical systems
- Bayesian econometrics
- Bayesian nonparametrics
- Graphical models
- Computational methods

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

2024 Impact Factor: 1.4

(*Journal Citation Reports* - Clarivate, 2025)

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Coverage by Leading Indexing Services

Scopus, ESCI (Web of Science), EconLit, EconBiz, RePEc, and other databases

Rapid Publication

A first decision is provided to authors approximately 34.6 days after submission; acceptance to publication is undertaken in 8.6 days (median values for papers published in this journal in the first half of 2025)
