Message from the Editor-in-Chief

Welcome! Those of you who are interested in reproductive medicine and biology are warmly invited to submit your original research articles, short communications and comprehensive reviews for consideration and publication in *Reproductive Medicine* (ISSN 2673-3897). Our journal *Reproductive Medicine* is published in open access format, i.e. your articles and reviews are published online immediately after acceptance. The scientific community and the general public will have unlimited and free access to the content as soon as it is published. We would be more than pleased to welcome you as one of our authors.

Editor-in-Chief

Prof. Dr. Berthold Huppertz

Aims

Reproductive Medicine (ISSN 2673-3897) is an international, open access journal on obstetrics, gynecology, and reproductive biology. *Reproductive Medicine* publishes reviews, regular research papers (articles) and short communications. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible so that the results can be reproduced. There is no restriction on the maximum length of the papers. Electronic files and software regarding the full details of the calculations or experimental procedures can also be deposited as supplementary electronic material.

Scope

- Maternal–fetal medicine and biology
- Obstetrics, embryology, and pregnancy
- The human placenta, including relevant studies on animals
- Major pregnancy disorders such as IUGR, preeclampsia, etc.
- Cellular and molecular mechanisms of reproduction
- Prenatal and preimplantation genetic diagnosis
- Reproductive endocrinology and reproductive epidemiology
- Reproductive immunology
- Fertility and infertility
- Assisted reproductive technologies
- Reproductive oncology, gynecology, and andrology
- Pathogenesis of sexual organ diseases
