Message from the Editor-in-Chief

The *IoT Journal* is an international, peer-reviewed, open access journal which provides a forum for rapid dissemination of results from original research and development in the Internet of Things (IoT). The journal publishes original papers, short communications, and review papers besides Special Issues devoted to important topics in the *IoT*. On behalf of all the distinguished members of the Editorial Board, I extend you my warm welcome to this journal and look forward to receiving your valuable research contributions for publication.

Editor-in-Chief

Prof. Dr. Amiya Nayak

Aims

IoT (ISSN 2624-831X) provides an advanced forum for studies related to enabling technologies, architecture, applications, services, security, and practical issues in the *IoT*. It publishes reviews, regular research papers, and short communications as well as Special Issues on particular subjects.

The aim of *IoT* is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. Therefore, the journal has no restrictions regarding the maximum length of papers. Full experimental details should be provided so that the results can be reproduced.

Scope

- AI and analytics in the IoT
- IoT privacy, security and trust
- IoT network design and architecture
- IoT-enabling technologies (including ultra-low power IoT technologies)
- IoT in a SMART environment
- IoT platforms: cloud-based, gateway-based and fog-based IoT solutions
- IoT for the industry: cyberphysical systems, SCADA platforms, 5G and beyond
- IoT interaction: augmented reality and virtual reality in the IoT, Social Internet of Things

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Coverage by Leading Indexing Services

ESCI (Web of Science), Scopus, EBSCO, and other databases

Journal Rank

JCR - Q2 (Telecommunications) /
CiteScore - Q1 (Computer Science
(miscellaneous))

Rapid Publication

A first decision is provided to authors approximately 25.7 days after submission; acceptance to publication is undertaken in 3.9 days (median values for papers published in this journal in the first half of 2025)
