Message from the Editor-in-Chief

The advances of biological science have fundamentally changed our world and our understanding of human beings. All the progress, from a simple biochemical reaction to systems biology, has come from interdisciplinary interactions in a variety of scientific fields. This is especially true and important for the current and future study of a broad range of biochem topics, the core of biological science.

Editor-in-Chief

Prof. Dr. Buyong Ma

Aims

BioChem (ISSN 2673-6411) is an international and interdisciplinary open access journal encompassing the fields of molecular biology, cell biology, structural biology, nucleic acid biology, chemical biology, synthetic biology, disease biology, biophysics, and theoretical biochemistry. It publishes reviews, research articles, communications, and letters. Our aim is to encourage scientists to publish their experimental and theoretical research in as much detail as possible. There is no restriction on the length of the papers.

Scope

- molecular biology
- molecular basis of biological processes
- structural biology
- gene and protein structure and expression
- folding of biomolecules
- biochemistry
- chemical biology
- synthetic biology
- protein biosynthesis
- membrane function and post-translational modification
- disease biology
- drugs and pharmaceuticals
- cell biology
- chemical, physical, mechanistic, and/or structural basis of biological or cell function
- cells
- nucleic acid biology
- theoretical biochemistry
- advances in biochemical, biophysical, and molecular methodologies as well as imaging techniques and data analysis

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Recognition of Reviewers

APC discount vouchers, optional signed peer review, and reviewer names published annually in the journal

Coverage by Leading Indexing Services

Scopus, EBSCO and other databases

Rapid Publication

A first decision is provided to authors approximately 33.9 days after submission; acceptance to publication is undertaken in 3.5 days (median values for papers published in this journal in the first half of 2025)
