Message from the Editors-in- Chief

European Burn Journal, the official journal of the European Burns Association (EBA), is an open-access, peer-reviewed journal that focuses on publishing the latest scientific developments in burn care and burn prevention. The Journal serves all burn care specialists, from physicians, nurses, and physical and occupational therapists to psychologists, counselors, and researchers. *European Burn Journal* seeks to publish suitable material submitted by all professions involved in the care, treatment, and prevention of burn injuries.

Editors-in-Chief

Prof. Dr. Naiem Moiemien
Prof. Dr. Peter M. Vogt

Aims

European Burn Journal (ISSN 2673-1991), the official journal of the European Burns Association (EBA), is an open-access, peer-reviewed journal that focuses on publishing the latest scientific developments in burn care and burn prevention.

Apart from traditional areas of burn care and burn research, other topics also covered by the journal also include wound care, scar treatment and wound healing, and regenerative medicine.

The Journal serves all burn care specialists, from physicians, nurses, and physical and occupational therapists to psychologists, counselors, and researchers.

European Burn Journal seeks to publish suitable material submitted by all professions involved in the care, treatment, and prevention of burn injuries.
