Message from the Editor-in-Chief

FinTech (ISSN 2674-1032) is an international, peer-reviewed open access journal on a variety of themes connected with financial technology, such as cryptocurrencies, risk management, robo-advising, crowdfunding, blockchain, new payment solutions, machine learning and AI for financial services, digital currencies, etc. *FinTech* provides a global academic forum for exchanging research findings across all fields in financial innovation in the era of electronic business. It seeks to promote interactions among researchers, policy-makers, and practitioners and foster research ideas on financial innovation in terms of new financial instruments, as well as new financial technologies, markets, and institutions.

Editor-in-Chief

Prof. Dr. David Roubaud

Aims

Our aim is to provide theoretical, empirical analyses of *FinTech*, new research questions and/or approaches, offer original case studies, or significantly expand on pre-existing research. *FinTech* focuses on theoretical analyses and empirical explorations on the synergy between finance and technology. The journal provides a publishing platform to advance the academic and professional innovations of the cutting-edge technologies integrated into the product and services of the modern financial services sector.

Scope
